

ON REFLECTION

An oversized mirror can make even the smallest bathroom feel bigger. In this project, the frameless mirror has been mounted a few inches off the wall which makes it appear to float. A bright glass mosaic tile surround adds the perfect finishing touch. To learn more about this project, visit www.housebrand.ca

Essential Kitchen + Bathroom Design APRIL 30, 11:00am - 1:00pm

The success of any house depends on the quality of its underlying design. When the design fundamentals are wrong, even houses that look good on the surface will be difficult to live in and have too high an environmental footprint. Spend a Saturday afternoon with Slow Home founders John Brown and Matthew North and learn about good residential design.

A successful kitchen has a compact work triangle and plenty of storage. Learn the critical components of kitchen layout and design and how to avoid the common pitfalls when renovating or building new.

Bathrooms need to be efficiently organized and highly functional. Learn how bathroom plans should be laid out and how to tell the difference between a well designed bathroom and one that is just for show.

\$50/ person - includes course materials and design book. Space is limited and reservations are required.

New! At the Design Store

The Edward sofa has an informal and relaxed appearance. The buttoned seat cushion alludes to the Edward's mid century roots, yet its proportions are decidedly contemporary. Edward is available in three sizes in either fabric or leather.
